Payable on Death
A Simple Bequest
Without Changing Your Will

If you are considering a charitable bequest as part of your estate plan, consider a Payable On Death (POD) gift. When you name Yellowstone Boys and Girls Ranch Foundation as the Beneficiary Designation of a checking account, savings account, or certificate of deposit at your bank, savings and loan, or credit union, the gift won’t affect your lifestyle and will make a tremendous impact on the troubled children we serve.

Benefits of POD Gifts

- **EASY**—To make a POD gift, you can go to your banking institution and complete a brief form designating Yellowstone as the beneficiary of your account at your passing. Please call if you or your bank have any questions, and remember to use our legal name and tax identification number: Yellowstone Boys and Girls Ranch Foundation, Inc., EIN #81-0419905.

- **INEXPENSIVE**—There is no cost to complete a POD form. In most cases, you will not need to amend your will or trust, so you can save on legal fees.

- **REVOCABLE**—Even after you complete the POD paperwork, you continue to own and control your account(s) during your life. You can continue to use them as needed, and your POD gift can be modified or revoked at any time during your lifetime.

- **SMART**—With a POD gift, your accounts will pass directly to Yellowstone without going through an expensive and lengthy probate process. Accordingly, POD gifts are a smart way to make a charitable gift to further our mission.

“I decided to leave a meaningful gift as part of my estate plan. A payable on death gift allowed me to leave two bank accounts at my bank,” explains Beth. “Not only was the process simple—it didn’t cost a thing. I also liked that a POD gift gives me flexibility—I still own the accounts and can use the money in those accounts if my needs ever change. Lastly, I was able to leave a gift that will create a lasting legacy. I couldn’t be happier!”
